*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

In 2015, there were no students enrolled in a Pre-Prep program.*

*Pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<http://deta.qld.gov.au/earlychildhood/families/pre-prep-indigenous.html>).

Characteristics of the student body:

Tara Shire State College is located in a small rural area two hours from Toowoomba. Students live in town, on rural properties or on small acreage.

For many students at the College, their home lifestyle and the social factors have a significant impact on their schooling with some students unprepared to commence schooling in their prep year and/or not coming to school ready to learn every day. Regular attendance is an issue for a number of students.

Over half of the student population travel to school by bus which limits opportunities for before and after school programs and extra-curricular opportunities.

The College has a Special Education Program known as the Maximising Achievement Program (MAP) with 17% of the population currently enrolled in MAP including a number of students in the Early Childhood Development Program (ECDP).

23% of the student population identify as Aboriginal and/or Torres Strait Islander.
