School Overview

Established in 1912, Tara Shire State College offers a seamless education from Prep to Year 12 in a co-educational setting located in the Western Downs Region.

The College curriculum framework offers a diverse and rich education to students in the early, middle and senior phases of learning. Based on the comparison between 2016 and 2017 NAPLAN results, students have demonstrated significant progress, particularly in Year 5 relative gain.

The College has been acknowledged as one of Queensland's 60 'top improvers'. A special education program supports students with a disability by providing individualised education plans which address academic needs and lifeskills.

Embracing the ethos of positive behaviour, the college emphasises values education through weekly social skilling lessons. Thanks to local community support, approximately one-third of senior students undertake a school-based apprenticeship or traineeship across a broad range of industries.

All students benefit from a range of extra-curricular activities, including sport, instrumental music, agriculture, camps and eisteddfods.

Principal's Foreword

Introduction

Tara Shire State College provides a high quality co-education from Prep through to Year 12. Our College is a proud state school nurturing the development of the individual through all phases of learning.

The College consists of two phases for learning, Primary (Prep-Yr 6) and Secondary (Year 7-12). It is the mission of the College to offer a caring and supportive approach to individual learning coupled with high expectations in performance and behaviour to provide the educational pathways families are seeking for their children.

Our College Values – ‘Believe, Achieve and Succeed’ embodies the desire to nurture the spirit and life-long learning within each student, complemented by instilling the skill and determination to succeed at all we set our minds to.

Our staff support all students throughout their years at the College. They have high expectations and recognise that every student can achieve academic success. We share the responsibility with families and students for assisting each student in attaining his/her educational goals.

The 2017 Tara Shire State College Annual Report provides families and the broader community with a snapshot of the achievements of the College over the past year, and plans for the future for 2018 and beyond.

School Progress towards its goals in 2017

Characteristics of the Student Body

Overview

Tara Shire State College is located in a small rural area two hours from Toowoomba. Students live in town, on rural properties or on small acreage.

For many students at the College, their home lifestyle and the social factors have a significant impact on their schooling with some students unprepared to commence schooling in their prep year and/or not coming to school ready to learn every day. Regular attendance is an issue for a number of students.

Over half of the student population travel to school by bus which limits opportunities for before and after school programs and extra-curricular opportunities.

The College has a Special Education Program known as the Maximising Achievement Program (MAP) with 17% of the population currently enrolled in MAP including a number of students in the Early Childhood Development Program (ECDP).

20% of the student population identify as Aboriginal and/or Torres Strait Islander.

How Information and Communication Technologies are used to Assist Learning

In 2017 at Tara Shire State College saw the college continue to invest heavily in ICTs and a year when students and teachers dramatically increased their engagement with technology. With the improvements with internet bandwidth, wireless connectivity, iPads for classrooms, desktops in upper

primary classrooms and renewing the fleet of secondary laptops, ICTs was a focus to ensure students were accessing that latest technology to support their learning.

Students and teachers were able to engage with a number of online software programs to support literacy and numeracy development. The college also moved to using the PAT online testing program, thus allowing teachers to gain data on their students much sooner and develop learning programs for students.

Other successes with ICTs assisting learning included:

**Teachers continued to use their classroom Interactive Whiteboards that are installed in all teaching spaces across the college*

**An increase was seen in teachers using digital learning spaces including eLearn Blackboard and EdStudios*

**Teachers across the school implemented classroom communities that opened communication channels with parents in online environments*

**Teachers were supported with Professional Development*

Social Climate

Overview

Tara SSC is committed to providing a safe and supportive environment in which all students can strive to reach their full potential. The social climate of the school is characterised by a wide variety of school support processes for students. Our college climate is continually improving with the development of more intentionally inviting classrooms and learning environments. The staff of the college recognises the need to have high expectations, engaged learning and focused teaching in their classrooms and with this comes a dynamic curriculum that caters for the wide variety of students that attend our college.

Parent and community engagement

The importance of parents and teachers working together is strongly supported throughout the College. We believe that when parents express confidence and are involved in the College, their children are more likely to be happier and perform better in the classroom. The college staff have worked hard to maintain and create many positive relationships with parents and community members.

The QParents App was set up and implemented at the start of 2016, with parents using this app most frequently to register absences, change details and pay invoices.

The following are some of the ways that parents are invited to be active participants in their child's education:

- Parent/Teacher meetings
- Classroom/College volunteer programs
- College Introduction meetings
- P&C Meetings
- P&C social functions
- Assemblies
- Parent Education sessions
- Class celebrations of learning
- Guest Speaker evenings
- Communication – newsletters, website.

Respectful relationships programs

The college has developed and implemented a program or programs that focus on appropriate, respectful and healthy relationships.

The college used a number of staff and local support agencies to reinforce respectful relationships programs in across the college.

The school has developed and implemented a program/or programs that focus on appropriate, respectful, equitable and healthy relationships.

Environmental Footprint

Reducing the school's environmental footprint

Tara Shire State College is committed to reducing its environmental footprint and, consequently, has taken the following action:

- Regularly reinforcing with staff the need to switch appliances off when not in use and keep windows closed when using air conditioning
- Ensuring that air conditioners are kept at 24°

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2014-2015	233,147	33,114
2015-2016	180,885	5,487
2016-2017	273,411	9,033

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Student Attendance Distribution

The proportions of students by attendance range:

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Rolls are marked in the morning and afternoon in the primary school and in the morning and each lesson in the secondary school.

The school uses OneSchool to mark the rolls electronically.

Teachers and office staff monitor student attendance.

An Attendance Officer is employed every morning to contact parents regarding unexplained absences and to ensure that rolls are marked accurately and appropriate procedures regarding extended absences are followed. This includes advising parents, by phone or in writing, of their legal obligations regarding school attendance.
