2018

School Sports Handbook

Health and Physical Education and School Sport is an important part of the Tara Shire State College curriculum and enrichment programs. The college works hard to ensure there is a positive culture and pathways for students to take an active role in in Physical Education and School Sport.

This booklet will outline information and selection pathways for students enrolled at the college. At the time of print dates, venues and staffing was correct, this may change throughout the year.

Health & Physical Education Curriculum

The Australian Curriculum and Queensland Curriculum and Assessment Authority subjects/work programs are implemented across the entire college. Physical Education teachers and class teachers are required to implement the curriculum as outlined by the ACARA, QCAA and State Schooling. This is an overview of the focus areas in the three learning junctures of the college. Teachers will also teach unit of works leading up to the annual sports carnivals.

CURRICULUM	Prep- Year 6	Health & Physical Education Physical Activity Personal Development Health
	Year 7-10	Health & Physical Education Physical Activity Personal Development Health
	Year 11-12	Authority and Non Authority Subjects

Tara SSC Athlete Development Program

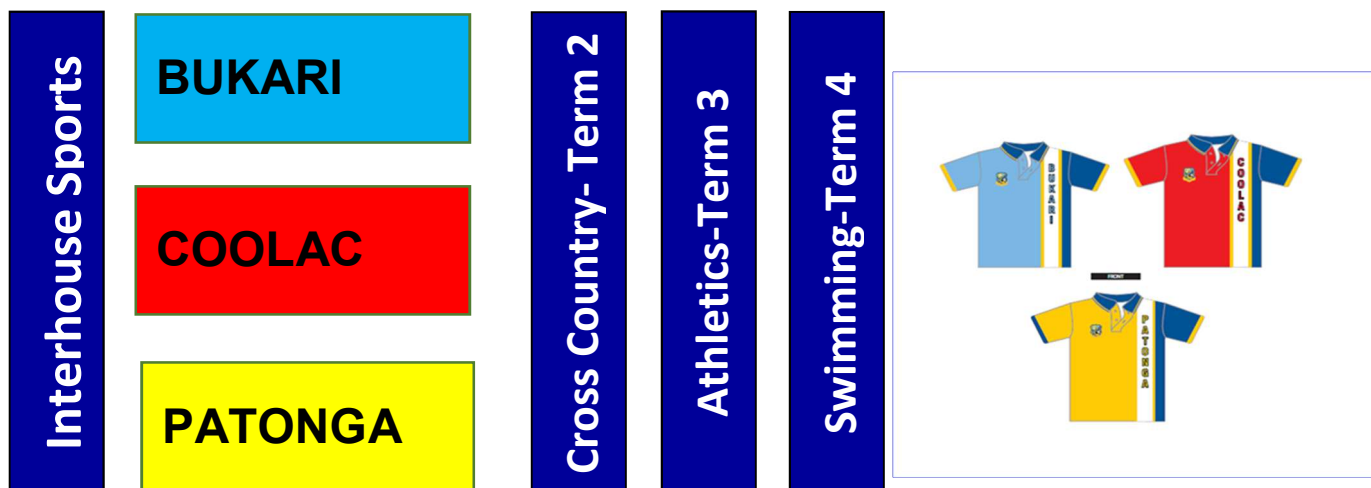

The Tara Athlete Development Program-TAD is an innovative program which caters for gifted students 10-15 years old across all sporting disciplines. The program aims to develop young sportspeople in terms of their:

- sporting skills
- fitness
- enthusiasm towards sport and school
- academic work, through sport
- sportsmanship and school citizenship

The program will be limited to number of students per group. There will be two groups 10-12 year olds and 13-15 year olds.

Interhouse Sports

Tara Shire State College has three sports houses, Bukari, Coolac and Patonga. There is a strong sense tradition and competition between the houses. On enrolment students are placed in one of three College Sports Houses. There is no guarantee that siblings will be placed in the same house. This is due to balancing house numbers, age groups and genders across the three houses. Age Champions will be awarded to 9 year olds and above for both females and males for the three Interhouse Carnivals.

The following is an overview of each carnival and what the each age group will participate in.

This will include across the pool, half the length of the pool and the full distance of the pool in the four strokes. There will be novelty events as well. The aim of this carnival is to have fun and full participation for all students. All students will swim in their year levels not age groups.

All carnivals are coordinated by the HPE teachers and/or a member of the administration. Parents are encouraged to attend each of the days and support all students.

Representative School Sport

Team Officials

For all Tara Shire State College Team, staff from the college will be appointed as a coach/manager or convenor for each sport. At times, the team officials may not always be an expert in the sport, but rather a staff member who is willing to help out so students gain an opportunity to participate.

For all Tara & District Teams, the district sports committee will appoint team officials. At times, this may be a staff member from another school. At times, the team official may not always be an expert in the sport, but rather a staff member who is willing to help out so students gain an opportunity to participate.

For all South West and Queensland Teams, team officials will be appointed through a selection process. The officials that are appointed will be qualified in the sport they are selected for. This is often a very competitive process within the region and state.

The following pages provide further information in regards to the sports on offer for each of the age groups.
