

Tara Shire State College Uniform Policy

The purpose of our dress code is to ensure that Tara Shire State College students present themselves with pride within the college and the wider community. When students enrol at our college, they must accept a shared responsibility of its public image, as well as develop a sense of belonging. It is our expectation that students will wear the appropriate college uniform each day. The Parents' and Citizens' Association have endorsed the current uniform – detailed below. It is also our expectation that students will comply with other aspects of our dress code, including footwear, the wearing of jewellery, make up and other body adornments, piercings, etc. On the rare occasion where the student is unable to wear the correct uniform, he/she must provide a note from parents/guardians to the Year Level coordinator before school starts, explaining the reason and follow directions from the Year Level Coordinator.
